TERMINAL DISCLAIMER UNDER 37 CFR 1.321(c)

Commissioner of Patents
Washington, DC 20231

Sir:

Petitioner, Solvay Solexis S.p.A., having its place of business at Via Turati, 12, Milan, ITALY, represents that it is the assignee and owner of all right, title and interest in and to U.S. Patent Application Serial No. 10/814,253 filed April 01, 2004, for FOAMABLE COMPOSITIONS OF FLUOROPOLYMERS BASED ON CHLOROTRIFLUOROETHYLENE.

08/07/2006 HALL11 00000049 10814253

Petitioner is also the assignee of all right, title ~~and~~ ^{01 PC:1014} interest in and to copending Application No. 10/814339, filed on April 01, 2004, for CTFE-BASED THERMOPROCESSABLE COMPOSITIONS.

Petitioner hereby disclaims the terminal part, if any, of any patent granted on Application Serial No. 10/814,253 which

would extend beyond the expiration date of copending Application No. 10/814339, and hereby agrees that any patent so granted on Application Serial No. 10/814,253 shall be enforceable only during such period, that the legal title to such patent shall be the same as the legal title to the copending Application No. 10/814339, this agreement to run with any patent granted on the Application Serial No. 10/814,253, and to be binding on its grantee, its successor or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of the copending Application No. 10/814339 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321 (a), has all claims cancelled by a reexamination certificate or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The undersigned on behalf of petitioner, Solvay Solexis S.p.A., hereby states and declares that I have the authority to execute this Terminal Disclaimer on behalf of the petitioner.

I hereby declare that all statements made on my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both,

under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

Solvay Solexis S.p.A
